Dear Gentlemen and Mesdames

I attach a letter for the attention of Chief Justice Mogoeng and Deputy Chief Justice Zondo.

Its extraordinary importance is indicated by the heading of this email.

It's critically important that they read my letter before former President Jacob Zuma and/or his lawyers go public on the JSC's failure to prosecute my gross misconduct complaints against Mlambo JP and Waglay JP in the three-and-a-half years since I filed them.

Yours sincerely

Adv Anthony Brink
